United States District Judge
United State District Court

Re: *United States v. Nicholas Tartaglione* 16-cr-832 (KMK)

Dear Judge Karas:

I write this letter to advise the Court that the government, by AUSA Maurene Comey, has no objection to our request for two more weeks to file our post-hearing motions. I also want to explain that it was no fault of Ms. Comey or Ms. Wolfe in terms of getting a response from the government before filing the letter.

I was on CJA duty in the SDNY yesterday and unable to file with no wifi and wanted to get the letter in before 5:00 p.m. I had expected I would be done in magistrate's court by 4:00 p.m. as my last case was ready by 3:30 p.m. However, unexpectedly there was some judicial function or swearing in and the magistrate judge did not return to court until after 6:00 p.m. and we did not get out of Court until well after 7:00 p.m.

I asked Ms. Wolfe if she could file the letter. Ms. Wolfe had asked for the government's position but given my request that the letter be filed before 5:00 p.m. it gave very little time for Ms. Comey to respond. I emphasize that any delay or insufficient time for Ms. Comey to respond was my responsibility and my fault alone. Ms Wolfe was doing me a favor and accommodating my instructions.

I would also add that this two-week continuance will be much appreciated as I just received a call this morning regarding my mother and it is possible that I will need to go back to Wyoming this weekend.
